

RB 2580 SHINESTAR SHINING CLEAR PASTE

- PRODUCTS** : **RB 2580 SHINESTAR** –Shining Clear Paste
- FEATURES** : Twinkling effect, No oxidation,
Long and stable shelf life,
Elastic structure.
Brings a shiny twinkling effect, Soft and good handling features.
Complies with ecologic standards.
- APPLICATION** : RB2580 SHINESTAR paste is fully prepared and ready to use. Easy and comfortable application for printing of shiny effects. An ideal choice for special applications. May be coloured and printed as it is. May also be applied over coloured water based. It is applied directly over dark coloured fabrics therefore has a shiny effect. For the light coloured fabrics, different colours of shiny effects are possible by a %0,5-1percentage of colouring. %0,5percentage RB 2601 SUPERFIX water based catalyst should be used to protect shiny effect after washing.
- For the water based ground applications, %0,5 percentage RB2601SUPERFIX water based catalyst should be used both in ground ink and SHINESTAR paste. Please well stir before using the product.
